

Condensed Report Cards

Overview: This report card prints in two columns resulting in a more condensed report card specifically designed for use with Standards Based Report Cards.

EzStart -> Lumen Touch - District Admin -> District Grade Processing Setup -> District Grade Processing Setup -> Condensed Report Card Parameters

Below is the list of parameters. The parameters for one grade level can be copy/updated to other grade levels and schools. (See Create/Copy Grade Level Parameters in the section following.)

The screenshot shows a web browser window titled "District Grade Processing Setup (Admin Access) - Condensed Report Card Parameters". The page content is as follows:
