

Assessments on Transcripts

Assessments

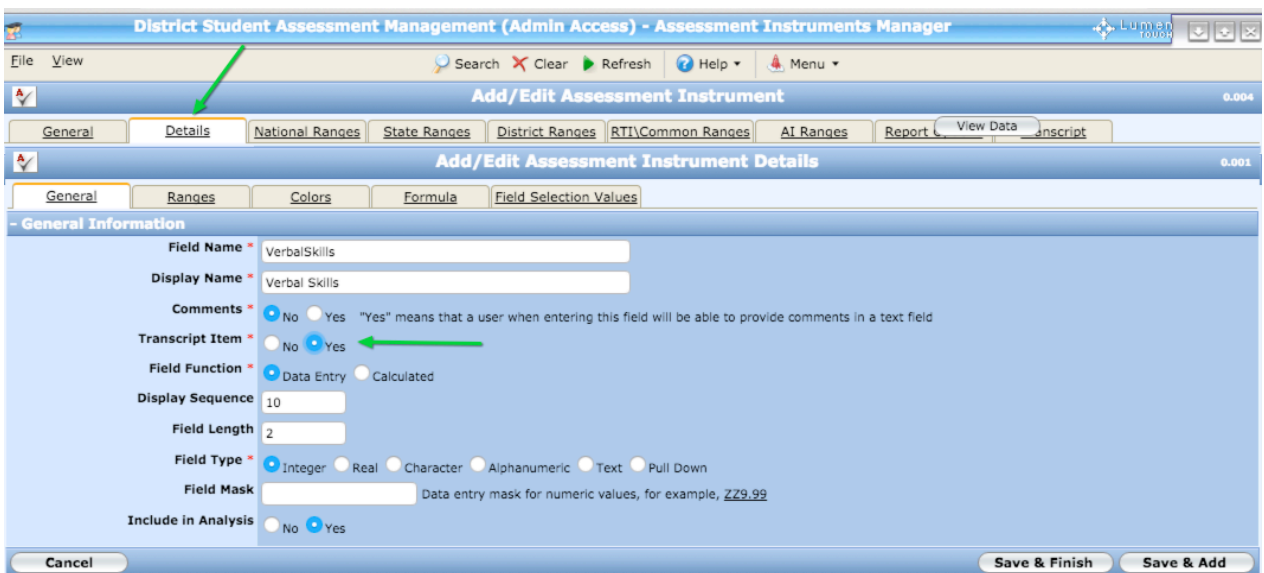

The Assessment Instrument needs to be set to display on the transcripts.

EzStart -> Lumen Touch - District Main -> District Student Assessment Management System -> District Student Assessment Management -> Assessment Instruments Manager

1. Select the Instrument and click on the Transcript tab.
2. Choose Yes for Transcript Assessment and select the other options.

3. Click on the Details tab and select the fields to display and set Yes for Transcript Item.

Official Transcript Print Parameters.

EzStart -> Lumen Touch - District Main -> District Graduation and Transcript Management -> District Graduation and Transcript Management -> 2Official Transcript Print Parameters

In the Assessments Information section, choose the options needed. Note: The Print Required Assessments are the Assessments selected as Required Assessments in the School Diploma Graduation Requirements for Required Assessments.

- Assessments Information
