## Define Anticipated Graduation School Year for All Students

District School Years should be defined for all anticipated graduation school years for all grade levels, K-12.

EzStart -> Lumen Touch - District Admin -> District Setup -> District Setup -> District School Year Definitions

This Utility will ensure all students who need a GPA will have an Anticipated Graduation School Year defined. New students will have it automatically assigned when enrolled.

EzStart -> Lumen Touch - District Admin -> District System Utilities -> District System Utilities -> Anticipated Graduation School Year Mass Update

1. Select all grade levels.
2. Click Clear.
3. Click Assign Years Automatically.
4. Click Assign.
5. Select all grade levels.
6. Click Process Students.
